1. (Unclassified - DFM) Received a call from Mark Fu, IBM, requesting the status of a questionnaire he sent me on our handling of natural resources. IBM is under contract with the congressional Office of Technology Assessment to complete this study. I told Fu we had received the study and I had sent it out within the Agency for comments, but that I had nothing to report as yet.

2. (Unclassified - DFM) Received a call from Mrs. Latham, OMB, who asked when we would have our response on the change in the cost-of-living scheme for annuitants in to their office. I replied that it was in final coordination and we would have it to them by May 2nd.

3. (Internal Use Only - RJK) Delivered to the offices of Senators Edward M. Kennedy (D., Mass.), Hugh Scott (R., Pa.), Frank Church (D., Ida.), Mike Mansfield (D., Mont.) and John Sparkman (D., Ala.) FBIS items in which their names were mentioned.

4. (Unclassified - RJK) Delivered a personal note from the Director to the office of Senator Stuart Symington (D., Mo.).

5. (Unclassified - RJK) Delivered 15 copies of the Agency publication entitled "USSR Agriculture Atlas" to the office of Senator Barry Goldwater (R., Ariz.).

6. (Internal Use Only - RJK) Delivered an advanced copy of the Director's prepared statement for today's briefing of the Intelligence Operations Subcommittee to Guy McConnell, Senate Appropriations Committee.

7. (Internal Use Only - RJK) Delivered a copy of an Agency publication dealing with Soviet military strengths (SR IM 75-1) to Richard Kimmel, Joint Committee on Atomic Energy staff, for George Murphy, Deputy Director, who was out of the office.

22. (Unclassified - WPB) Talked to Ina Gartin of OMB on S. 1289 and asked her if there had been any progress in the Administration's efforts to limit the bill to formal regulatory proceedings. She said that as far as she knew, there had not been and promised to keep me informed from her end. I asked her who was handling S. 1210, Kennedy's FOI Act Amendments, she told me she would have Bill Skidmore get in touch with me.

23. (Unclassified - WPB) After consulting with [] I called Mack Redwine at the Legislative Counsel's Office at the Department of Justice to determine Justice's position on S. 495, the Watergate Reform Act, which we have been asked to comment on. Redwine said he would be glad to forward Justice's comments to us as soon as they had been completed.

24. (Unclassified - PLC) Ralph Malvick, OMB, called in regards to our package to amend CIARDS. He asked if the Agency had made a inflation impact judgment on the legislation in accordance with OMB Circular No. A-107. I told him I was certain that a judgment had been made that the proposal would not have an inflationary impact since it was cleared with our Comptroller. He asked that a short statement to that effect be submitted for the record. I subsequently discussed this with [] O/Comptroller, and he confirmed they had reviewed the proposal in accordance with the OMB circular and saw no inflationary impact.
